

CALL IT "MURDER!"*

FACTS...	...DEMAND ANSWERS
<p>Many <u>successful</u> treatments for COVID Documented: Doctors worldwide¹ have saved up to 100% of patients using Hydroxychloroquine,^{2,3} Ivermectin,⁴ Azithromycin, Quercetin, SMT,⁵ Methadone, Vitamins D3, C,⁶ K2, Corticosteroids, Ozone, Zinc, and more. Government only said "Take the vaccine!" Doctors announcing these <i>life-saving</i> protocols are silenced, disciplined and can even lose their jobs. ^{7,8}</p>	<p><i>WHY has Govt withheld these cures?*</i> If you know someone who died from COVID ask "Why weren't they given these life-saving treatments?" Ask Govt: "Why don't health officers recommend cures? Ask Govt" Why do give mandates that <u>weaken</u> our immune systems?"⁹ <i>They reduce oxygen intake, exercise, social and family connections, and joy; and increase our isolation, anxiety and fear all of which undermines immune systems.</i></p>
<p>Anti-COVID Measures <u>kill thousands</u> Documented: anti-COVID measures are lethal. <i>10 times more</i> people die from lockdowns than the virus.¹⁰ People are denied their critical checkups, diagnoses, treatments and surgeries. Many others are dying from overdose, despair and suicide.¹¹ Govt mandates for masks,¹² lockdowns,¹³ and social distancing devastate communities and mental health.</p>	<p><i>WHY are Govt steps deadlier than COVID?10*</i> Ask Govt: "Why are you intensifying your lethal 'anti-COVID' measures instead of changing them? Science and studies report <i>they harm public health and safety?</i>" Ask Govt: "Why are you forcing people to comply with policies that known to cause unnecessary deaths, social devastation and economic upheaval, instead of restoring and safeguarding community health and vitality?"^{14, 24}</p>
<p>COVID Shots <u>Kill and Injure Healthy People</u> This shot is <i>not</i> a "vaccine".¹⁵ It is an mRNA genetic <i>experiment</i>¹⁶ <i>lethal in animals</i> and never successfully used in humans.¹⁷ It is not fully safety tested.¹⁸ It enters cells and becomes a <i>self-replicating part of the body</i>¹⁹ that can trigger the immune system into attacking its own cells.²⁰ Thousands of perfectly healthy people have suffered devastating effects and a high rate of fatalities.²¹</p>	<p><i>WHY do shots have no benefits, just serious risks ?*</i> Ask Govt "Why are you pressuring healthy people at near-zero risk from COVID, <i>to risk permanent damage and death from the job as well as unknown future risks?</i>"²⁴ <i>Vaccine manufacturers admit their "vaccines" do NOT give protection from COVID, or prevent spread.</i>²² Ask Govt "So why, after the jab, will there still be masking distancing, and lockdowns?—and 2 or more shots?"²³</p>
